Newgay Rena

Good proportion, feminin type, nice head with enough length of muzzle, scissorbite. Neck could come a little bit better to the body. Good muscle in topline, good bonesubstance. Could have a little more ribs. Moving a little bit on two lines, good step from side. A bit short in coat today.

2 Uitmuntend

Blazing Bronze Heebie Jeebies

Good proportion. Feminin head with scissorbite. Could have a little bit stronger muzzle. Neck could come in nicer to the body. Good muscle in body. A little bit long in loin. Well angulated. Could be more filled out in chestbottom. Elegenat bone substance. Could hold the topline better when she is moving. Coat is not in topcondition today.

Viva Catcher In Grass

A little bit too elegant in type. Very nice silhouet. Could have scissorbite. Correct earset, nice topline and low tailset. Good angulation in rear, a little in frontangulation. Needs a little bit more body. Could carry up herself a little bit more. A little round over the loin, good step from sied. Price is because she should have a bit more power.
