

CAC show Rotterdam 2025 Keurmeester: Mrs. L. Wilson

Ierse setter

Jeugdklasse reuen

1ZG

Marlland Mac Arthur Park

Correct head to body proportions, developing well for age, outgoing and playful, ears, eyes and bite correct, flews need to tighten, chest developing well for age, would like more front angulation, good topline, well ribbed back, correct tail carried out on the move, rich chestnut colouring with small patch of white on the chest, hind movement needs to firm up, straight coat slight wave on back feathering is coming through.

2ZG

Riverwood X'a Gift Made In Heaven

Developing well for age still quite leggy, ears and bite correct, eyelids could be firmer, moderate angulation, chest still needs to develop, slight slope to topline, tail correctly set and carried, movement loose, rich chestnut colouring.

3ZG

Correct head to body proportions, developing well for age still a little leggy, correct with of skull, racy, ears eyes and bite correct, a little loose, would prefer more front angulation, chest still to develop, slight slope to topline, correct set and carriage of tail moderate hind angulation movement still loose at this age, excellent deep chestnut colouring, feathering starting to develop.

Tussenklasse reuen:

1U

Molenridders Mister Monlight

Correct head and body proportions, racy head, correct set of ears, quite light in colour, correct eyes and bite, chest a little narrow, and feet turn out slightly, moderate angulation, slight slope to topline, correct set and carriage of tail, moves through behind, a little close in front and I would prefer more reach rich chestnut colouring, a little underweight can feel ribs.

Openklasse reuen:

1U res. CAC

Big Red's Lord Palmerston

Correct head to body proportions, masculine but not coarse, correct ears eyes and bite, good length of neck would prefer more front angulation and this shows in movement, good depth of chest, slight slope to topline, correct tail set and carriage, good turn of stifle, would prefer more reach in movement, deep chestnut colouring good feathering.

Kampioensklasse reuen:

1U CAC BOS

Orlanset Overseas Dream at Ireleith

Correct head to body proportions, masculine, racy head, correct ears and eyes, would prefer a better bite, good length of neck moderate angulation, correct depth of chest to elbows slight slope to topline correct set and carried tail, moves true going a little high stepping coming, chestnut colouring with good feathering.

2U

Marlland Just A Friend

Correct head to body proportions, masculine, skull and muzzle of equal length correct ears and eyes would prefer a better bite, moderate angulation, deep chest to just below elbows, slight slope to topline, tail correctly set and carried on the move, hind movement loose, would prefer more reach, deep chestnut colouring, good feathering, with some wave of coat on back.

Jeugdklasse teven:

1ZG

Blazing Bronze Proud Mary

Developing well for age, feminine, quite leggy at this stage, correct head proportions, ears eyes and bite correct, black nose, good length of neck, chest still to develop would prefer more front angulation slight slope to topline tail correctly set and carried hind movement a little loose front movement not easy to asses because she is full of life and dancing everywhere, rich chestnut colour.

2ZG

Little Oaks Manor All Aboard

Feminine, developing well for age, quite placed, ears and bite correct, would like eyelids a little tighter, good length of neck, would like more front angulation and this shows in movement, chest developing well for age, level topline, correct set of tail, movement loose front and back, rich chestnut colouring with the start of feathering.

3ZG

Rivervalley's Red Sunrise

Still very much a youngster, feminine, ears eyes and bite correct, good length of neck, would like more front angulation, feet turned out slightly, level topline, tailset just below topline carried out on the move, movement loose, chestnut colouring with the start of feathering.

Tussenklasse teven:

1U

Copper's Snow Or Never

Correct head to body proportions, feminine, racy head, ears eyes and bite correct, good length of neck, moderate front and hind angulation, good development of forechest, slight slope to topline, correct set and carriage of tail, moves true coming and going with light side movement, chestnut coloured coat with waves in the coat.

Openklasse teven:

1U res. CAC

Tussocks Manor Endless Autumn

Correct head to body proportions, feminine happy outgoing, ears eyes and bite correct, would like more front angulation, slight slope to topline, tailset below topline carried out on the move, hind movement a little loose, does not reach and drive as much as I would like excellent deep chestnut colouring, feathering developed well.

2U

Rivervalley's Red Snow Ball

Correct head to body proportions, feminine, pleasing head, correct ears eyes and bite, ears a little lighter in colour than body, narrow front, with good development of forechest, a little unsure in the ring, level topline, good depth of chest, tail a little low set, movement true coming and going, side movement a little hesitant doesn't flow as much as she should rich chestnut colouring.

Kampioensklasse teven:

1U

Tussocks Manor Endless Summer

Correct head to body proportions, feminine, ears eyes and bite correct, good bone, good length of neck, would like a little more front angulation, good depth of chest, slight slope to topline, correct tailset and carriage, well ribbed back, front movement has tendency to high step at stages, rich chestnut colouring.

2U

Flannan's Early Morning Madness

Correct head to body proportions, feminine, ears eyes and bite correct, would prefer more front angulation, correct depth of chest with correct spring of rib, slight slope of topline, correct set and carriage of tail, moderate hind angulation, front and hind movement acceptable, rich chestnut colouring with straight coat and not excessive feathering.

3U

Marlland Kentucky Woman

Correct head to body proportions, feminine, ears eyes and bite correct, feet turn out slightly, would like more front angulation, good depth of chest, slight slope to topline, correct set and carriage of tail but it is a little short front and hind movement could be firmer, rich chestnut colouring with some waves in coat.

Veteranenklasse teven:

1U CAC BOB

Blazing Bronze Glamour Puss

Correct head to body proportions, feminine, elegant, racey skull, ears eyes and bite correct, good length of neck, well developed forechest, moderate front and hind angulation, slight slope to topline, front feet could be a bit closer/firmer, correct set and carriage of tail, moves true flows around the ring, rich chestnut colour with slight wave.

Ierse Rood-witte setter

Openklasse teven:

1U CAC BOB

Glenkar Rua Melena Tuva

Correct head to body proportions, feminine, correct ears eyes and bite, nose could be a little bit darker, moderate front angulation, slight sloped topline correct set and carried tail good turn of stifle, haws could be a bit firmer moves closed coming and going, coat pearl white with red patches some feathering seen.
